About Jim Mackie Distribution

MISSION

Supply quality
building products
to lumber dealers.

In 1993, Jim Maicki started a sales company in a small, one room office in suburban Detroit. Jim’s mission was simple:

“Supply quality building products to lumber dealers.”

Over the last three decades, Jim’s company has evolved from a one-man specialty distributor into a full-fledged, full-line millwork distributor. Our two fully-stocked warehouses have the capacity to supply the entire Midwest, providing fast and reliable delivery no matter the size of your order.

We believe excellent customer service, high quality of product standards, and focused supply chain management are the keys to our successful partnerships and growth. They remain the cornerstones of our business, guaranteeing you get the best products and experience in the market.

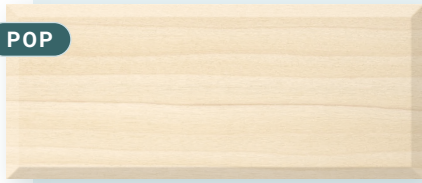

We only work with suppliers who share our values of quality, environmental responsibility, and continuous improvement. **Thank you for choosing Jim Mackie Distribution as your trusted stair part supplier. Enjoy the catalog!**
